FIFA 22 allows players to experience a plethora of new ways to interact with the ball. FIFA Ultimate Team's "Create-a-Player" feature will include over 300 new signings. These signings will enable new ways to unlock a wide range of new players, providing FIFA gamers with an abundance of footballing options. Team bonding has never been so easy! FIFA Ultimate Team members will also have access to a multitude of customisation and personalisation options across the game. Players will be able to update their player cards and personalise skills and attributes in-game, allowing them to tailor their football experience with their favourite team. Premiere Edition content for the Xbox One will be available to download from launch. PlayStation 4 owners will be treated to an extensive line-up of content, including the all-new "Create-a-Club" mode, where players can create and name their own club from scratch. An extensive range of additional content will be released in the run-up to and during the FIFA season. FIFA Ultimate Team will return to the line-up for the first time since FIFA 19 with FIFA 22, and it will be one of the most exciting versions yet. FEATURES · FIFA 22 offers an increased number of features and more ways to play than any other version of the game. · New ways to play with the ball: New "Create-a-Player" and "Create-a-Club" modes offer expanded ways to customize your footballer · Enjoy the new "Radial Ball" system that increases the ball's unpredictability and makes a visual statement of off-the-ball attacking power · Enjoy the new

“Substitute” strategy that allows you to manage your squad during a game · Enjoy a new “Kick Zone” mechanic that makes long passes even more effective · Enjoy an all-new “Set-piece Master” mode, which allows you to face a defender before striking an accurate set-piece · Enjoy a new “Tiki-Taka” mode, in which you can take calculated risks to reach the opposing goal before your opponents · Enjoy the return of the “NewBall” unlockable system · Enjoy more than 600 licensed players, with over 300 new signings coming to FIFA 22
